## ***Police Task Force Receives Recognition Team Key to Success of Operation Summer Shield***

**JERSEY CITY - Mayor Jerramiah T. Healy** and members of the **Police Department** will recognize the efforts of police officers and investigators from six different agencies that provided vital intelligence to the recent 176-person arrest during **11 am ceremonies on Tuesday, July 12, 2011 at City Hall Council Chambers, 280 Grove Street.**

**Operation Summer Shield**, a multi-faceted law enforcement effort launched by Mayor Healy and the JCPD in May, targeted violent offenders who were either sought on existing charges or on a parole violation. The roundup of these individuals is believed to have helped provide a less violent summer on local streets and significantly impacted criminal activity.

The event gives members of the Hudson County Prosecutor's Municipal Task Force an opportunity to take a bow for a job well done. Photo and video opportunities will be available to the media.///
